of His Highness the Maharaja of Mysore,

Sir,

I have the honour to state that the Municipal Council in their meeting held on 28th March 1934 passed a resolution prescribing a particular sound-signal for a particular kind of public conveyance viz horns for motor cars, busses and lorries, big bells for tongas and -- jutkas, and cycle bells for cycles The object in adopting the -- resolution is to obviate the confusion and alarm to be caused to the public by the indiscriminate adoption of sound-signals

The want of a rule under the public conveyance regulation regulating the use of signals is a keenly felt one, which the Council have now proposed to remedy

I therefore request that the Government may be pleased to accord sanction to the resolution of the Council, a copy of which is hereto appended

I have the honour to be,
